Policy Change

By Cindy Upchurch

Since opening in December 2002, staff and volunteers in the gallery have been able to have drinks tucked away. Everyone was so busy it was difficult to leave the gallery floor to take a break. As attendance has slowed down, we would like to limit drinks to the lobby, information desk and kitchen. Thank you for your help with this policy change.

Education Day

by Pam Imes

We are planning an Educational Day in May. It will be Friday, May 12th. This will be right before the "Point of Departure Event May 13th and 14th, 2006. We will need lots of help, since we are planning for 1000 school kids. If you would be interested in helping with historical interpretation that could help educate and let the children enjoy first hand experiences of the Lewis and Clark era, here's your chance. It will only be from 9:00 till 2:30 with lunch. There will be a sign up sheet in the red folder at the front desk.
